Brink & Campman runner collection

The runner collection is woven traditionally in the Netherlands on Axminster looms. The collection offers a wide range of options: from classical - rich in colour and design - to contemporary - with minimal design or even plain. Not only are they beautiful, they are also fire retardant and sound dampening and have excellent appearance retention. Our runners are manufactured to the highest quality making them suitable for both residential and contract use.

Onze lopers zijn comfortabel, warm, geluiddempend en bovendien slijtvast en brandvertragend. De collectie biedt een breed scala aan keuzemogelijkheden: van klassiek – rijk van kleur en dessin – tot modern – minimaal gedessineerd of zelfs uni.
